

**Vostochnaya
Technica**

To whom it may concern,

Vostochnaya Technica is the official dealer of CATERPILLAR, GRACO on the territory of Western and Eastern Siberia, Yakutia and Northern part of Russian Far East.

Since 2012 ATA – International LLC has been forwarding our cargoes by air transport regularly. The shipped goods are mostly urgent spare parts for mining machinery. ATA – International LLC takes provided info with great importance of the delivery time and provides high quality freight service to satisfy all corresponding requirements and to meet customer demands.

We thank our forwarder for close attention paid to every shipment, high level of professionalism and skillful approach to resolving difficult cases. We can recommend ATA – International LLC for freight shipments and going to continue our cooperation.

Yours sincerely

Halyna Shaw
