### Information letter

Since 2008 Aviation Transport Agency - Novosibirsk LLC has been forwarding cargoes issued by ABBOTT GMBH & Co.KG to Russia by air transport regularly. The shipped goods are mostly medical reagents and equipment for Siberian hospitals which require urgent delivery, special storage conditions and careful transportation. ATA-Novosibirsk LLC takes into account social significance and vulnerability of the mentioned cargoes and provides high quality freight service to satisfy all corresponding requirements and to meet customer's demands.

We thank our Forwarder ATA LLC for close attention paid to every shipment, high level of professionalism and skillful approach to resolving difficult cases. We are going to continue and strengthen our cooperation.
